

LIVE SPIN & GO'S

Spin & Go's will run from 14:00 until 20:00 at EPT3 Malta, based on table and staff availability, from October 20-28.

Buy-ins must be purchased with either cash or casino gaming chips. Each Spin & Go will be played three-handed. The prize format is 'winner-takes-all'; however, deals are permitted if all remaining players agree.

Spin & Go's are held on a first come, first served basis. A waiting list will be created if required. Lists will be called as soon as there are three names available. Once a player's name has been called they will have five minutes to report to the table. Failure to report to the table within the five minute period will result in the forfeiture of that player's seat. Seats will be randomly assigned.

What is a Spin & Go?

Spin & Go's are fast-paced, 3-handed hyper turbo Sit & Go tournaments. They were launched on PokerStars.com in September 2014 and have been phenomenally popular due to their fast format and the opportunity to win big money in just minutes.

We are now giving players the opportunity to play Spin & Go's live at the EPT!

How do they work?

When three players register and pay the entry fee, the dealer will spin the prize wheel. Whichever prize the wheel lands on, that's what you're playing to win! The smallest prize is €100 and the jackpot prize is €1,000.

* Extra days may be added without notice

** Level length, starting stack and structure are subject to change without notice

For added suspense, the wheel can be spun at the end of the Spin & Go, once the winner has been decided. All three players must agree to this and inform the dealer beforehand.

What are the odds of hitting the jackpot prize?

The odds of the wheel landing on the €1,000 jackpot are approximately 2%.

Where can I play these online?

Spin & Go's are available at PokerStars! Buy-ins vary from \$1 to \$100, and you can win up to 10,000 x your buy-in. That means at the \$30 level, you can win a maximum of \$300,000.

I have more questions! Who can I ask?
